Secretary – Open

Membership Committee Chairman - Cory Burns,
Membership Committee Phil Chen
Program Committee Chairman - Matt Luczynski
Program Committee Richard Schroeder

If you would like to suggest, hear or make a presentation at a future meeting, please call-email a Chapter officer or Program committee member. Presentations should relate to Condition Monitoring methods or Maintenance Improvement practices.

The Vibration Institute is a not for profit organization. The National chapter was established in 1972.

The Georgia Chapter was founded in 1990, and holds quarterly meetings to provide members and non-members with practical information & technology relating to machine and structure condition monitoring for today's industries. Chapter meetings are held at various technical colleges and other sites throughout the state of Georgia.

**DIRECTIONS TO THE VIBRATION INSTITUTE, GEORGIA CHAPTER SEMINAR
MARY CALDER CLUBHOUSE , 1201 WEST LATHROP AVE., SAVANNAH, GEORGIA**

From Hotels on Bay Street: Take Bay Street west until you see the highway overpass for I-516. Go under the overpass, and at the traffic light - turn right - this is West Lathrop Ave. For the Clubhouse, stay on West Lathrop about ¼ mile until you see the sign for Intl. Paper at gate Blue 1. Turn left. Follow the road past two sets of railroad tracks and turn left at the next turn. Follow gravel road to Club House.

From I-16 Eastbound: Take I-16 East to I-516 West (aka 21 North) Exit #164B – Lynes Parkway toward Garden City. Take I-516 West to West Lathrop Ave. (about 1 mile).Exit 7B. Follow exit ramp to bottom, bear right. For Clubhouse, stay on West Lathrop about ¼ mile until you see Intl. Paper sign at gate Blue 1. Go left. Follow road past two sets of tracks, turn left at next road. Follow gravel road to Club House.
